Residential Building Permit Instructions & Checklist

- ❑ The Building Permit application has been completed in full and signed by both applicant & owner.
- ❑ A survey by a PA registered land surveyor has been submitted with the construction documents. The survey shall indicate the setback distance to every property line. The location of all proposed driveways shall be indicated on the submitted survey.
- ❑ All required Zoning Permits and approvals have been obtained from the municipality (attach copies).
- ❑ Two (2) copies of scaled and accurate construction drawings have been submitted . See instruction below**. Contact PCS for ALL non-residential projects submittals.**
- ❑ All applicable Highway Occupancy Permits from PennDot shall be obtained (attach copies).
- ❑ The attached "Worker's Compensation Affidavit" has been completed.
- ❑ The Required Inspections sheet has been read and signed. (Borough will identify required inspections)
- ❑ All sewer or on-site sewage disposal permit (attach copies).
- ❑ Pennsylvania One Call shall be notified prior to any excavation. 1 800 242-1776

[1.] Residential Plan Review Requirements

- ❑ Two (2) sets of complete drawings shall be submitted with the Building Permit Application.
- ❑ **The required plan review fee shall be submitted with the Building Permit Application payable to PCS: $150.00 for New Dwellings $50.00 for decks, pools, additions, accessory structures**
- ❑ The drawings include a typical wall section indicating the following: footer size and reinforcement, foundation wall details including drainage, anchor bolts, floor joist size, framing sizes, header schedule, ceiling joist and roof rafter details, roof covering details & ventilation details.
- ❑ Engineered lumber specifications and manufacturers product information
- ❑ Floor plans for every story including basement.
- ❑ HVAC details including equipment to be installed.
- ❑ General wiring details including smoke detectors and service size.
- ❑ A plumbing isometric (attached worksheet) design including drainage size, vent size and location, trap location, cleanout locations and drainage fixture details. All building sewer specifications shall be in accordance with the local sanitary authority.
- ❑ Window schedules from the window manufacturer indicating sleeping room egress window and habitable basement egress sizes.

Rev 1.8.9

*[1.] **Checklist for Residential applications. Contact PCS (724 449-2662) for commercial review instructions.***

Worker's Compensation Affidavit

The applicant for the Building Permit, in compliance with Act 44 of 1993, hereby submits the following Information and Affidavit. One of the following requirements must be marked:

- ❑ A current *Certificate of Insurance* indicating Worker's Compensation is attached. The certificate must indicate *Slippery Rock Borough* as the holder.

- ❑ The building permit applicant or indicated contractor qualifies as "Exempt from Worker's Compensation. Please indicate the reason for the exemption by checking on of the following and completing the subsequent information:
  - ❑ The Contractor/applicant is the owner of the property.
  - ❑ Contractor/Applicant is a Sole Proprietor without employees.
  - ❑ All of the contractor/applicants employees on the project are exempt on religious grounds under Section 304.2 of the Act. Please explain in detail:
    _____
    _____
  - ❑ Contractor/Applicant is a corporation, and the only employees working on the project have and are qualified as "Executive Employees" under Section 104 of the Act. Explain the status of any/or all workers on the project:
    _____
    _____

Complete the following:

Date:_____
Name of Applicant/Contractor:_____
Adress:_____
City_____ State_____ Zip Code_____

1. **Any subcontractors used on this project will be required to carry their own worker's compensation coverage.**
2. **The applicant is not permitted to employ any individual to perform work on this project pursuant to the permit in violation of the Act.**
3. **Violation of the Worker's Compensation Act or the terms of this permit will subject the applicant to a stop-work order and other fines and penalties provided by law.**
